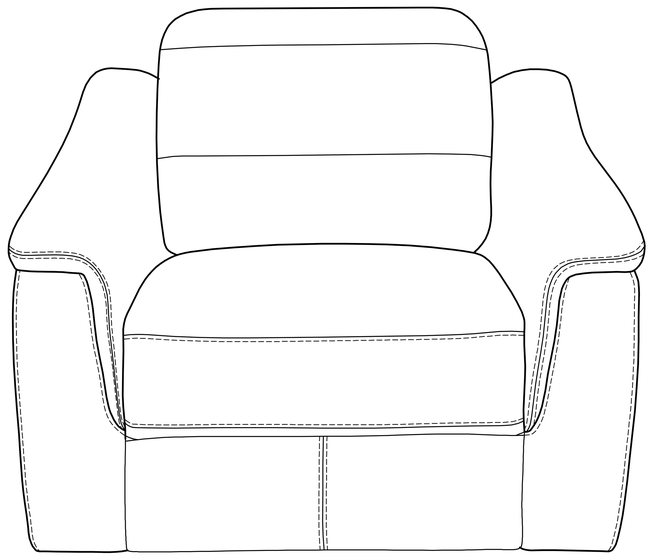
FLEXSTEEL®

# Power Recliner with Power Headrest & Lumbar



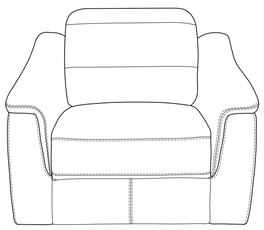
IMPORTANT NOTE

Read these instructions carefully and familiarize yourself with each procedure before assembling the furniture. Check that you have all the component parts and familiarize yourself with each part before proceeding.

Take all the fittings out of the plastic bad and separate them into groups. Ensure you have enough space to lay out all the parts before assembly. To prevent damage to the parts, we recommend that you assemble the unit on a soft, level surface.

## Part List

A. Recliner
1 piece



B. Transformer
1 piece

## Assembly Instructions

**STEP 1**

Detach the Transformer (B) from the bottom of the Recliner (A) (See Figure 1.)

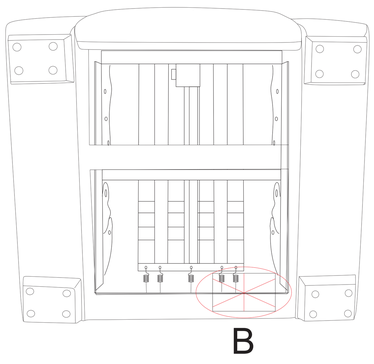


**Figure 1**

**STEP 2**

Connect the base motor cable to the Transformer (B) and plug it into a nearby outlet. (See Figure 2.)

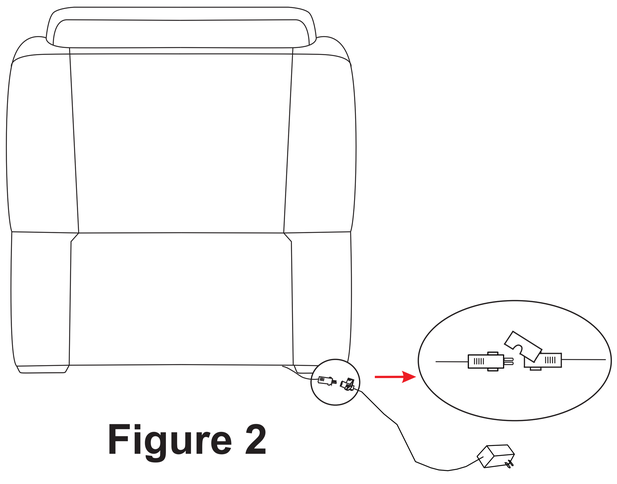

**Figure 2**

IMPORTANT NOTE

- To avoid any risk of suffocation to children or pets, dispose of all plastic bags immediately.
- To ensure proper performance, occasionally check for loose hardware and tighten as needed.
- If the reclining functions are not working properly, check for loose cable connections before contacting the retailer.
