FEIT ELECTRIC APP 1.6.0

BEFORE USING THIS USER GUIDE SEE INCLUDED QUICK INSTALL GUIDE FOR PROPER PRODUCT INSTALLATION.

NOTE: Only works with **2.4GHz** Wi-Fi networks

Go to your Wi-Fi settings and connect your phone to your 2.4GHz Wi-Fi Network.

1 Download the **Feit Electric App**

2 Launch Feit Electric App
Enter email address, then tap **Continue**.
(A verification code will be sent to your email)

3 Create a Password then tap **Done**.

Permissions & Location Access

4 **Allow** Notifications
(Highly Recommended).

5 You must **Allow** Feit Electric App to access your location to connect to your device.

Enter your location name.
Check where your device is located.
Tap **Done**.

Adding Devices

6 Tap **+** in the upper right corner
NOTE: If this is the first device you are setting up you can also select **Add Device**

7 Tap **Plugs** and select **Indoor Plug**

8 Indicator light on indoor plug must be rapidly blinking to connect. If not already blinking, press and hold the power button for five seconds, then tap **Confirm**

9 After confirming that you are on a 2.4GHz Wi-Fi network, tap **Confirm**.

The **Connecting Now** screen will appear. Wait until it's completed.
If you see a **Fail to Add** screen. Close the app and repeat the previous steps.
Press **View Help** for further assistance.

10 To rename indoor plug, tap the **Pen** icon. Save the device name and tap **Done**.

11 After your Indoor Plug is added it will appear on your Home page. Tap **Indoor Plug** icon to turn ON/Off or press and hold 2 seconds for device settings.

12 Tap the center button to **Power On** or **Power Off**.
You can also tap **Schedule** or **Timer** at the bottom.

Schedules

13 Tap **Schedule**.

14 Tap **Add Schedule**.

15 Choose a Start Time (On) and End Time (Off). To repeat on certain days of the week, tap **Repeat** otherwise the schedule will only occur once.

16 Tap on the day(s) of the week you would like the schedule to repeat, then tap back "<" then **Save**.

Timers

17 Select **Timer**.
Set the time then select **Confirm**

Additional Features

18 Additional features are available by tapping on the **Pen** icon, including: renaming & removing devices.

Groups

19 From the Home Page tap **Groups**

NOTE: To create groups you will need at least 2 Indoor Plugs.

20 Once you are in Groups, tap **Create Group**.

21 Tap **Indoor Plug**.

22 Select the Indoor Plugs that you want to group.

23 Tap **Enter Group Name** and name your group.

24 Once the group is named and the plugs are selected tap **Save**.

Manage Groups

23 Tap **Groups**.

23 Tap (•••).

27 Tap **Manage Group**.

28 Select the group to edit.

29 Once selected, tap **Edit** in the upper right hand corner.

Delete Groups

30 Tap **Groups**.

31 Tap (•••).

32 Tap **Delete Group**.

33 Select the group to delete. Once selected, tap **Delete** in the upper right corner.

34 Tap **Confirm**.

Share Control of a Device

35 From the Home Page tap **Profile.**

36 Tap **Share Devices**.

37 Tap **Share Devices** at the bottom.

38 Select the device that you wish to share. Tap **Sharing** in the upper right corner.

39 Enter the account name of the person you want to share with. This is typically their email address. Then tap **Done** when prompted.

NOTE: New members must set up an account before sharing is possible.

Room Management

40 Tap the settings icon "⚙" from the home menu, then tap **Add a Room**.

41

42 Tap on a preset room name or create your own.

43 Add individual Indoor Plugs by tapping on the ⊕ icon next to each device name.

44 When finished, tap on **Save**.

45 Remove individual Plugs by tapping on the ⊖ icon next to each device name.

Smart Scenes

46 Open the Feit Electric App and tap **Smart Scenes** located at the bottom of the screen.

Use smart scenes to setup and name an action or group of actions to occur at the same time.

47 In the Scene Tab screen, tap **Add Scenario** or **+** icon.

48 Enter the scene name by tapping on the **Pen** icon. Then, tap **Confirm**.

49 Next to "Execute the following actions" tap the **+** icon or tap the **Add Action** box.

50 On the **Select Action** screen, tap on a Device or Group to execute an action on.

Side B

51 On the **Select Function** screen, tap on the action you want the device to perform.

52 On the **Switch** screen, tap **ON** or **OFF**.

53 Tap **Save**.

54 See your Scenario in **Smart Scenes** under the **Scene** tab.

It will also appear on the top of your **My Home** screen.

Tap on Scenario to execute your action.

ENABLE SIRI SHORTCUTS®

(for use with iPhone)

1 To enable Siri to recognize the scenario you have created, open the Feit Electric App and tap **Smart Scenes** located at the bottom of the screen.

NOTE: To set smart scenes see **Creating Smart Scenes**

2 In the Scene Tab screen, tap **add to siri** located at the bottom of the screen.

3 In the **Siri Shortcut** screen, tap on the scenario you would like to add to Siri.

4 Once on the Add to Siri screen, tap on **Add to Siri** at the bottom of the screen.

5 Now you can use the "Hey Siri" command to control this action from your iOS device. "Hey Siri" "Switch ON floor lamp."

CONNECTING TO ALEXA

1 Launch the Alexa App then tap on the **Menu**
(In the upper left corner)

2 Tap **Skills & Games**.

3 In the search menu type **Feit Electric**.

4 Select **Feit Electric**.

5 Tap **Enable**.

6 Enter the user & password from the Feit Electric App. Then tap **Link Now**.

7 Tap **Authorize**.

8 Tap **Done** in the upper left corner.

9 Tap **Discover Devices**.

10 Alexa will now discover and add device(s).

11 Once the device(s) are discovered they will appear under **Devices**
(lower right corner).

Note: Additional devices will be added automatically when added to the Feit Electric App.

CONNECTING TO GOOGLE HOME

1 Open the **Google Assistant** App.

2 In the upper right corner tap the **Circle** icon.

3 Tap **Assistant**.

4 Tap **Home Control**.

5 To add a device tap on the Circle **(+)** located in the lower right corner.

6 Scroll down or search and select **Feit Electric**.

7 Enter the user & password from the Feit Electric App then tap **Link Now**.

8 Tap **Authorize**.

9 Once devices are connected tap **Done** to return to Devices or tap the **Pen** icon to assign a room.

Note: Additional devices will be added automatically when added to the Feit Electric App.
