DOÑA PAULA

ALTITUDE SERIES

1100 MALBEC-SYRAH

Los Indios, El Cepillo, San Carlos, Uco Valley

ESTATE & VINEYARDS

Los Indios estate is located at 1,100 meters above sea level in El Cepillo, San Carlos, Uco Valley. Before planting the Los Indios vineyard in 2006, we conducted a regional study of the grape varieties cultivated in the area, identifying the varieties with the best performance. We discovered an old Syrah vineyard that surprised us with its exceptional quality, which led us to plant more Syrah vines. Syrah is the backbone of our 1100 blend – bringing elegance and complexity – while Malbec adds fruity notes and texture to the palate.

DOÑA PAULA

ALTITUDE SERIES

HIGH ALTITUDE WINES FROM THE BEST TERROIR IN ARGENTINA

Our Altitude Series wines are the result of the combination of four key factors: ***soil, altitude, vineyard management and variety****.*

The search for the varieties that grow best in each part of the vineyard – based on soil and altitude – combine with vineyard management and winemaking decisions that allow us to express the ***terroir effect in these high-altitude wines****.*
