Ashbourne

2018

GRAPE BLEND:

PINOTAGE 100%

Wines of the Year

"Made from a site planted in 1996 to make a single vineyard Pinotage - quite a bold move at the time by Anthony Hamilton Russell - Ashbourne was not produced between 2011 and 2015 and includes some new material in 2018. Grippy, firm and serious, it's a very ambitious red with some spice from the addition of stems, blackberry and red berry fruit and fine oak. Bravo! 2022-28"
