NATURAL
SKIN ON SKIN FEELING

SKIN-LIKE FEELING **MAXIMUM PROTECTION**

Non-latex polyisoprene condoms for men are lubricated and offer a natural skin-on-skin feeling. They are suitable for people who are sensitive to latex condoms. Please read all label details before use.

FIND YOUR BEST FIT

Everyone is different, but the right fit should always be comfortable and secure. Use the information on the side of the pack to find the best fit for you.

FOR MORE PLEASURE & LESS PRESSURE

all our condoms face the same way for fumble-free usage

Each Durex Condom is developed with you in mind – lubricated and teat-ended for a more comfortable and pleasurable experience. Every single one is packed the right way up for simple, fumble-free usage.

REGULAR FIT

Nominal width 2.2 inches (56mm)

Our standard girth, designed for a close and comfortable fit, with a nominal width of 56mm.

LUBRICATED

Regular lubrication

Durex condoms are lubricated for a smooth experience. Lubricant helps prevent condom breakage.

THICK

For maximum protection & maximum pleasure

Our thick, skin-like material provides maximum protection while giving you that natural skin-on-skin feeling you desire.

NON-LATEX

These non-latex polyisoprene condoms are perfect for those with latex allergies.

FREQUENTLY ASKED QUESTIONS

WHY SHOULD I USE CONDOMS?

Condoms help prevent pregnancy and STI's, allowing you to enjoy fun, pleasurable and safe sex.

DO THINNER CONDOMS BREAK?

All Durex condoms are subject to rigorous testing for your safety and pleasure.

CAN CONDOMS CAUSE AN ALLERGIC REACTION?

Durex Real Feel condoms are not made from natural rubber latex so they are suitable for people who have an allergy to natural rubber latex proteins.*

CAN I USE LUBRICANT WITH CONDOMS?

Durex condoms are already lubricated, but you can add lubricant for a smoother experience*.
