*Riesling Kabinett 'Feinherb'*

## VINEYARD & HISTORY

Age of the vines: 10-90 years
Vineyard Size: 6,58 ha (16.259 acres)
Johannesbrünnchen: 4,03 (9.958 acres)
Schlossberg: 2,54 (6.276 acres)

The Mosel is part of the warmest climatic zone in Germany. The capability of the river and the soil to store heat and reflect sunlight results in consistent mild temperatures that maximize photosynthesis, making winegrowing possible in this otherwise very cool region. This wine was produced from fully ripe grapes grown in our Bernkasteler Johannisbrünnchen, Bernkasteler Schlossberg and Bernkasteler Altenwald vineyards.

## VINIFICATION

Grapes are handpicked and carefully selected from select vineyard parcels, only slightly pressed, then left for 24 hours to macerate before being gently pressed. The wine is fermented without any addition of cultured yeast or enzymes for a period of 4-5 months. After fermentation, the wine spends several more months on lees to gain stability and complexity – then is vegan fined.

## TASTING NOTES

This refreshing wine has complex and juicy aromas of ripe pears, green apple and yellow stone fruit. Very harmonious with lively acidity and beautiful minerality.
