WINE ADVOCATE

April, 2018

"The 2015 Saint-Romain Blanc from Domaine Alain Gras is very pretty, wafting from the glass with notes of white peach, citrus zest, pear and hazelnut. On the palate, the wine is medium-bodied, elegantly glossy and pure, with a lovely line of succulent acidity and a touch more amplitude and give than normal. This is a very pretty white Burgundy that's already drinking well."
