STAIR SHIELD™ FR
FLAME RETARDANT STAIR PROTECTION

Stair Shield™ FR is a reusable, heavy-duty, yet lightweight stair protection product.

Protect every part of the stair including the tread, riser and bullnose. The adjustable tread allows for dynamic coverage, protecting stairs that are 10.25, 11 or 11.25 inches deep. The two grip strips promote traction for extra stability. Stair Shield is offered in 34 and 40 inch wide options.

Tested to NFPA 701 Test Method 2 (2019) standards.

FLAME-RETARDANT | HEAVY-DUTY | LIQUID SHIELD® | REUSABLE

TOUGHER THAN THE JOBSITE.™
