## SANDSTONE 2019

### GRAPE BLEND:

49% SAUVIGNON BLANC 25% CHARDONNAY 26% SEMILLON

"I tasted this last year, but have significantly increased its score now that it's had an extra year in bottle. Entirely amphora-fermented, it's a judicious cuvée of Sauvignon Blanc with 51% Semillon and Chardonnay. Salty, complex and nuanced, with grapefruit and lanolin notes and some underlying tannic grip. 2022-27"
