3+

Deluxe Activity SENSORY TABLE

Color Party

Scoop, Sort and Play!

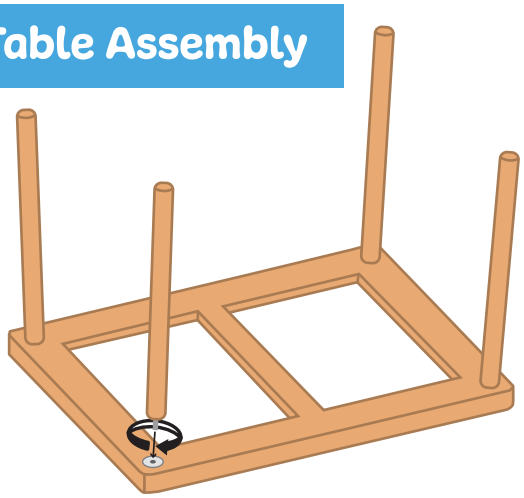
Sensory play provides an engaging, hands-on activity for children to explore and learn through their senses.

CARE AND SAFETY

WARNING:
CHOKING HAZARD - Small parts.
Not for Children under 3 years.

- Always supervise children during play.
- Do not allow children to climb or stand on table.
- Prolonged contact with water could damage table and play surface.
- Clean table and play surface with a damp cloth. Bins can be emptied and cleaned with soap and water.
- Sensory sand should be kept away from eyes, nose, and mouth. If contact should occur, rinse with water.
- Water and humidity will change the consistency of your sensory sand. Air-dry the sand as needed to return to its original texture or add a bit of water if it gets too dry/clumpy.
- Sensory play can get messy, so have your child wear a smock or old clothes and be prepared to clean up afterward. Teach children to clean up with you, promote responsibility, and organization.

Table Assembly



Adult Assembly: No tools needed
Screw the 4 legs clockwise into the tabletop.

Place bins into slots. If using as a table, place tabletop pieces over bins.

Sensory Bin Assembly

Adult supervision recommended.

Open and arrange the sensory sand and all other items.

Play

Now it's time to scoop, sort, and discover. Have fun learning, while engaging all your senses!

Note to Parents – Using the sand molds and tools are a fun way for your child to practice their fine motor skills and hand-eye coordination. These skills are essential for writing, drawing, and using tools.

Try this!

- Count the objects
- Name each color and describe the texture
- What happens when you mix sand colors? What new colors do you make?
- Close your eyes and grab an item from the bin. See if your child can identify it using their sense of touch.
- Memory game: Parents – remove an item from the bin. Have your child guess what is missing.

More ways to use

- Store craft supplies, toys, blocks, and more
- The tabletop can be used for a variety of craft and play activities.
