points

REVIEW

"This has a pretty nose of honeysuckle, white peaches, lemons and crushed stones. Touch of fennel. Fresh and creamy, with a medium body and nicely chalky texture. Mineral, saline finish. 67% sauvignon blanc, 22% chardonnay and 11% semillon, all grown on sandstone soils. Drink now or hold"

ABOUT THE WINERY

Ashbourne is a small Pinotage, and White blend specialist, founded in 1996 by Anthony Hamilton Russell and located on a beautiful 64 hectare property in the Hemel-en-Aarde Valley on the eastern border of Hamilton Russell Vineyards. Ashbourne's primary aim is for its founding wine, released in 2001 and grown on extremely clay-rich, stony soils, well suited to nursing a high level of refinement and classic styling. Five years later, the first Ashbourne Sandstone was made as a white wine partner to the Pinotage. This unwooded blend of Sauvignon Blanc, Chardonnay and Semillon was designed as the most beautiful possible expression of the quartzitic sandstone soils and was the first South African wine to be fermented and aged in amphorae.
