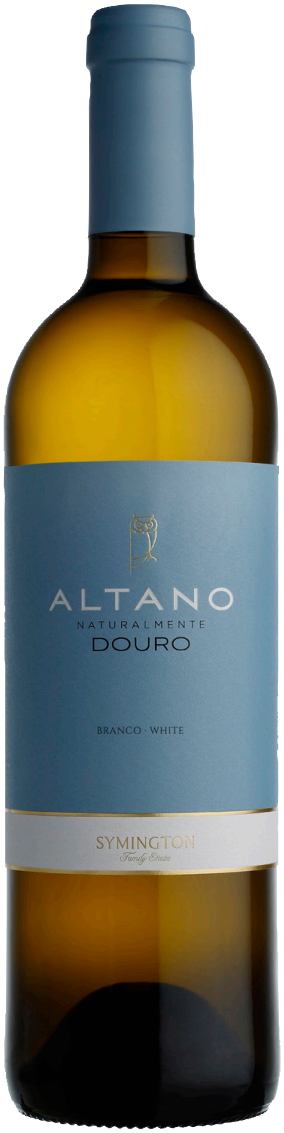
ALTANO

NATURALMENTE

DOURO

WHITE

2019



"This is a blend of fruit from high altitudes in the Douro, including malvasia fina, viosinho, rabigato, and moscatel galego. Vinified in stainless steel, it retains a rich citrus intensity, the notes of white grapefruit and lemon tightened in a talc-like grip. With the flavor and acidity of a peach just coming into ripeness, this is built for ceviche."
