Alain Gras

SAINT-ROMAIN
BLANC 2020

91
POINTS

"The 2020 Saint-Romain Village expresses real tension on the nose with wet limestone/petrichor scents percolating through the citrus scents. The palate is fresh and lively, the 30% new oak neatly entwined with an cohesive and tensile finish that lingers in the mouth. You could ask little more from a Saint-Romain Blanc. - Neal Mertin"
