LOS

CARDOS

DOÑA PAULA

MALBEC

The world gives us signs all the time, like those observed in nature, that signifies that every time a thistle appears it is a sign of a good terroir.

it's a GOOD SIGN

1 TASTING NOTES

Deep violet red color. Intense, spicy, sweet aromas, with notes of red fruit and floral hints such as violets. In the mouth, it is soft, velvety, fresh, and well balanced.

2 100% ESTATE GROWN

We have 800 hectares (1,977 acres) of vineyards located in the best regions of Mendoza. We make sure that each varietal grows in the best terroir, according to the ideal combination of soil and climate.

3 VINIFICATION

The grapes are harvested from mid to late March. In the winery, they are first destemmed and softly crushed. A cold pre-fermentative maceration takes place to preserve the primary aromas. Then, the must is cooled and traditional fermentation starts. Post-fermentation maceration lasts between 10 and 15 days.

4 VARIETAL TYPICITY

Los Cardos reflects the typical expression of each varietal in Argentina through fresh and fruit-forward wines.
