1 | HIGH ALTITUDE FIELD BLEND, UNIQUE STYLE

Our winemaker was inspired by the varietals that grow best in Luján de Cuyo when he created this blend of Malbec, Cabernet Sauvignon and Petit Verdot. It stands out for its deep black color. It is planted at the feet of THE ANDES at more than 3000ft. This wine has aromas of plum, spices and red pepper stand out while delicate notes of mint can also be perceived. In the mouth, it is a very harmonious and balanced wine, with round tannins and a long finish.

2 | AGING

The wine is aged in first, second and third-use French oak barrels for 12 months.

3 | FOOD PAIRING

Grilled steak/BBQ Lamb Ribs/Roasted Duck Breast.

4 | 100% ESTATE GROWN VINEYARDS

Doña Paula currently has 800 hectares of vineyards located in the best areas of Mendoza. We looked, in each estate, for the ideal climate and soil combination for each variety.
