

PTX

POWER SHADE

AN AFFORDABLE POWER SHADE ON THE MARKET FOR BOATS UNDER 26 FEET

The SureShade PTX Power Shade is a new power-driven shade system that can be easily installed on any boat under 26' with a soft T-top or Hardtop. The system deploys an approximate 5' shade in 28 seconds and consists of two actuators powered by individual 12V DC motors.

POWER SHADE JUST GOT EASIER

Instant Shade With a Push of a Button

Shade operates silently with a rocker switch (included) and no programming required

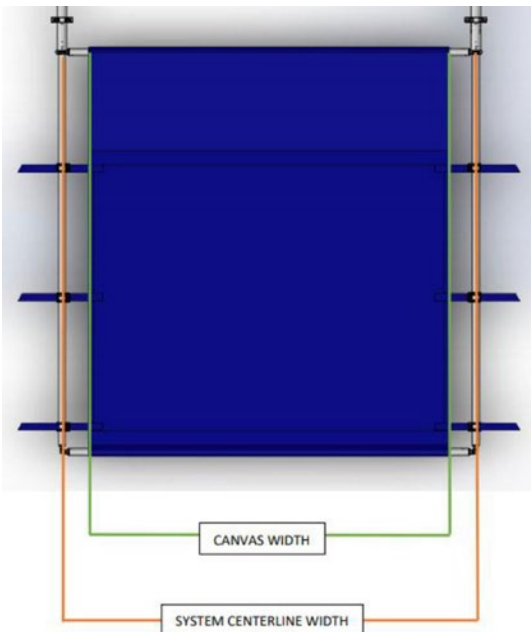

Easy installation on a soft T-top or Hardtop

Includes a unique integrated boot

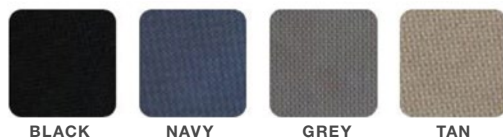

Universal Design Makes For an Easy Purchase

Choose your canvas width

Select from our four standard canvas width options for the best fit for your boat top:
