DESIGNED IN NORTH AMERICA

Consult your owner's manual for complete installation instructions, accurate framing dimensions and proper clearances to combustible material. Check all local and national building codes. All specifications are subject to change without prior notice due to on-going product improvements. Products may not be exactly as shown

ADBRC1-CBLX56 | 07/2025

CBLX56

Suitable for TV Installations
True design flexibility is made possible with an optional industry-leading heat management system that allows you to install your television above.

Choice of Media
Offering a choice between Split Oak Logs and Glass for a contemporary, stylish design.

Ideal for Smaller Spaces
Featuring a lower heat output means a premium linear fireplace ideal for smaller spaces.
