VINEYARD & HISTORY

Age of the vines: 20-90 years
Vineyard Size: 3,84 ha (9.488 acres)

The vineyards are mostly positioned at higher altitudes from the river – from the middle rising to the top of the vineyard – including vines from the famous Graben and Lay vineyards. The soil is fine slate that stores water extremely well. Very lively and fresh Rieslings grow here with a racy and stable acidity and an extraordinary potential for development.

VINIFICATION

Grapes are handpicked and carefully selected from select vineyard parcels, only slightly pressed, then left for 24 hours to macerate before being gently pressed. The wine is fermented without any addition of cultured yeast or enzymes for a period of 4-5 months. After fermentation, the wine spends several more months on lees to gain stability and complexity – then is vegan fined.

TASTING NOTES

Fine and elegant, still a bit yeasty, aromas of Williams pear, raspberry, wild strawberry, apricot and papaya. Very juicy, lively, a hint of saltiness and minerality typical of the Mosel. A wonderfully balanced wine.
