

WISCONSIN

Wisconsin is a state in the upper Midwest region of the United States. It is known for its dairy industry, particularly cheese and milk production. The state is also famous for its scenic beauty, including the Door County Peninsula and the Keweenaw Peninsula. Wisconsin is a member of the Great Lakes region and is bordered by Michigan to the west, Illinois to the south, and Minnesota to the east. The state capital is Madison, and the largest city is Milwaukee. Wisconsin is a land of natural beauty and outdoor recreation, with numerous state parks and forests. The state is also known for its rich cultural heritage and history, including the discovery of the first fossilized human remains in the state in 1838.
