Katie Conical Pendant

By Visual Comfort Signature

DAMP

Description

With its chic cone silhouette, the Katie Conical Pendant offers a sophisticated update for your space. Opt for a white glass shade for a soft diffused glow, or the clear or seeded glass for a brighter look. The shade is supported by a chain link suspension and hardware detailing that add a hint of vintage charm. Whether placed in multiples over a kitchen island or individually over a small dining table, the Katie casts a welcoming ambient light.
