Table of Contents

Unit 1: Foundations

Chapter 1: Science Practices and Skills

Preparation: Chapter 1 8
Lesson 1.1 Scientific Investigation I 10
Lesson 1.2 Scientific Investigation II 12
Lesson 1.3 Science Tools 14
Lesson 1.4 Graphing Skills 16
Lesson 1.5 Technology 18
Lesson 1.6 Engineering Design Process I 20
Lesson 1.7 Engineering Design Process II 22
Lesson 1.8 Chapter 1 Review 24

Unit 2: Life Science

Chapter 2: Energy for Life

Preparation: Chapter 2 40
Lesson 2.1 The Sun's Energy 42
Lesson 2.2 Plants and Animals Need Energy 44
Lesson 2.3 Photosynthesis I 46
Lesson 2.4 Photosynthesis II 48
Lesson 2.5 Energy Distribution 50
Lesson 2.6 Animals Use Energy 52
Lesson 2.7 Investigation: Energy Needs 54
Lesson 2.8 Chapter 2 Review 56

Chapter 3: Matter and Ecosystems

Preparation: Chapter 3 64
Lesson 3.1 Ecosystems 66
Lesson 3.2 Animals and Ecosystems 68
Lesson 3.3 Types of Ecosystems 70
Lesson 3.4 Roles in Ecosystems 72
Lesson 3.5 Food Webs and Ecosystems 74
Lesson 3.6 Matter Cycles in Ecosystems 76
Lesson 3.7 Investigation: Is Yeast a Decomposer? 78
Lesson 3.8 Chapter 3 Review 80

Chapter 4: Changes in Ecosystems

Preparation: Chapter 4 88
Lesson 4.1 Case Study: 17-Year Cicada 90
Lesson 4.2 Healthy Ecosystems 92
Lesson 4.3 Case Study: Valdez Oil Spill 94
Lesson 4.4 Effects of Human Actions on Ecosystems 96
Lesson 4.5 Effects of Catastrophic Natural Hazards 98
Lesson 4.6 Succession 100
Lesson 4.7 Investigation: Effects of Landslides 102
Lesson 4.8 Chapter 4 Review 104
Unit 2 Connect 106
Unit 2 Design 108

Unit 3: Physical Science

Chapter 5: Properties of Matter

Preparation: Chapter 5 124
Lesson 5.1 Observing Matter 126
Lesson 5.2 Measuring Matter 128

Lesson 5.3 States of Matter 130
Lesson 5.4 Particles of Matter 132
Lesson 5.5 Properties of Matter I 134
Lesson 5.6 Properties of Matter II 136
Lesson 5.7 Investigation: Properties of Cooking Ingredients 138
Lesson 5.8 Chapter 5 Review 140

Chapter 6: Changes in Matter

Preparation: Chapter 6 148
Lesson 6.1 Physical Changes 150
Lesson 6.2 Heating and Cooling 152
Lesson 6.3 Mixtures and Solutions 154
Lesson 6.4 Chemical Changes I 156
Lesson 6.5 Chemical Changes II 158
Lesson 6.6 Conservation of Matter 160
Lesson 6.7 Investigation: Hand Warmers 162
Lesson 6.8 Chapter 6 Review 164
Unit 3 Connect 166
Unit 3 Design 168

Unit 4: Earth and Space Science

Chapter 7: Earth's Systems

Preparation: Chapter 7 188
Lesson 7.1 Atmosphere 190
Lesson 7.2 Geosphere 192
Lesson 7.3 Hydrosphere 194
Lesson 7.4 Biosphere 196
Lesson 7.5 Atmosphere and Geosphere Interact 198
Lesson 7.6 Atmosphere and Hydrosphere Interact 200
Lesson 7.7 Investigation: Rain Shadows 202
Lesson 7.8 Chapter 7 Review 204

Chapter 8: Earth's Water

Preparation: Chapter 8 212
Lesson 8.1 Oceans 214
Lesson 8.2 Fresh Water 216
Lesson 8.3 Water Cycle 218
Lesson 8.4 Oceans and Coastlines 220
Lesson 8.5 Oceans and Climate 222
Lesson 8.6 Oceans and Ecosystems 224
Lesson 8.7 Investigation: Salinity 226
Lesson 8.8 Chapter 8 Review 228

Chapter 9: Human Impact

Preparation: Chapter 9 236
Lesson 9.1 Natural Resources 238
Lesson 9.2 Nonrenewable Resources I 240
Lesson 9.3 Nonrenewable Resources II 242
Lesson 9.4 Renewable Resources 244
Lesson 9.5 Reduce, Reuse, Recycle 246
Lesson 9.6 Population Impact 248
Lesson 9.7 Investigation: Color for Solar Panels 250
Lesson 9.8 Chapter 9 Review 252

Chapter 10: Space Systems I

Preparation: Chapter 10 260
Lesson 10.1 Shape of the Earth 262
Lesson 10.2 Gravity 264
Lesson 10.3 Daily Pattern of the Sun 266
Lesson 10.4 Earth's Rotation 268
Lesson 10.5 Patterns of Shadows 270
Lesson 10.6 Patterns at Night 272
Lesson 10.7 Investigation: Mass and Gravity 274
Lesson 10.8 Chapter 10 Review 276

Chapter 11: Space Systems II

Preparation: Chapter 11 284
Lesson 11.1 Moon's Orbit 286
Lesson 11.2 Earth's Orbit I 288
Lesson 11.3 Earth's Orbit II 290
Lesson 11.4 The Sun as a Star 292
Lesson 11.5 Distance and Size 294
Lesson 11.6 Solar System Survey 296
Lesson 11.7 Investigation: Visual Perception 298
Lesson 11.8 Chapter 11 Review 300
Unit 4 Connect 302
Unit 4 Design 304

Unit 5: Human Body

Chapter 12: Growth and Development

Preparation: Chapter 12 322
Lesson 12.1 Metamorphosis 324
Lesson 12.2 The Endocrine System 326
Lesson 12.3 Skin 328
Lesson 12.4 Growth 330
Lesson 12.5 Teeth 332
Lesson 12.6 Body Clock 334
Lesson 12.7 Investigation: Tooth Decay 336
Lesson 12.8 Chapter 12 Review 338

Chapter 13: Disease

Preparation: Chapter 13 346
Lesson 13.1 Effects of Disease 348
Lesson 13.2 Types of Disease 350
Lesson 13.3 Infectious Diseases 352
Lesson 13.4 Noninfectious Diseases 354
Lesson 13.5 The Immune System 356
Lesson 13.6 Immunity 358
Lesson 13.7 Investigation: Antibodies 360
Lesson 13.8 Chapter 13 Review 362
Unit 5 Connect 364
Unit 5 Design 366
