Anti-Mould Massage Pebble Bathmat

Please retain instructions for future reference.

CARE AND USE

To be eligible for the guarantee, please retain your proof of purchase.

Please retain instructions for future reference.

Remove all of the packaging.

Open out the bath mat and lay it flat for 24 hours before use.

Soak the bath mat in a bathtub of warm water for 10 minutes before first use.

Place the bath mat into a clean bathtub free of any dirt or oils.

Do not use the bath mat on a textured surface, as the suction pads will not engage properly.

Centre the bath mat in the bathtub with the suction pads on the underside before filling with water.

Fill the bathtub with the desired amount of water.

Firmly press down the entire bath mat surface by hand whilst kneeling alongside the bathtub on a clean surface.

Carefully step onto the bath mat whilst holding a grab rail or the edge of the bathtub.

Tread down 8–10 areas of the bath mat to ensure that it is properly adhered to the bathtub surface.

If the bath mat suction pads are not fully anchored to the bathtub surface repeat the above instructions.

After use, lift the bath mat at one corner and peel back.

Rinse the bath mat thoroughly and hang to dry; do not dry with a hairdryer or over a radiator.

Caution Not recommended for use on textured surfaces.

Not suitable for use with bleach.

Always keep the bathtub surface clean.

Always remove the bath mat before cleaning the bathtub.

Bath oils may reduce the safety of the bath mat.

Use all safety precautions when entering/exiting the bathtub.

This bath mat is designed to help prevent slipping, its effectiveness depends upon care and use.
