Antibac Twist Flat Mop & Refill Head

Please retain instructions for future reference.

CARE AND USE

FLAT MOP: Mop head with 90° flip function.

Flip the panel to clean floors, skirting boards, ceilings and more.

Scrubbing pad for lifting and cleaning.

Chenille pad for dusting and polishing.

Integrated tool with scraper and rubber bristles to lift and scrape dirt.

2 machine-washable microfibre pads.

Large mop head for maximum coverage.

Adjustable telescopic metal handle extends 120cm.

Mop pads are treated with zinc pyrithione, a biocide that protects the product from bacterial-associated odour.

This preservative is to protect the treated article.

Do not pour removal solutions directly on the components.

Separate the flat mop head from the handle.

Remove and wash the microfibre mop pads.

Clean with mild soap, care and maintenance: Wipe the main body with a soft, damp cloth and allow to dry thoroughly.

Please refer to the care label for washing directions.

Use a mild detergent and lay it flat to dry.

Never use bleach or fabric softener when washing the microfibre mop pad.

Store in a cool, dry place.

Use only on cool surfaces.

Not suitable on delicate, assembled, or loose wooden floors by scratching may chip into the area underneath and cause dulling.

Twist clockwise to flip the edge of the mop head to clean floors, skirting boards, ceilings & more.
