BUG HOTEL
Contents

Back with attached hanging hook

2 Sides

2 Upper Dividers

2 Lower Dividers

2 Vertical Dividers

Vertical Hide Cover

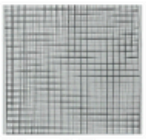
Roof A

Roof B

3 Mini Pinecones

Shingles

Wood Chips



Metal Cover

Glue

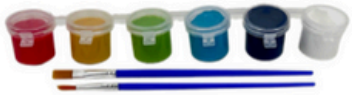
Bamboo Tubes

4 Wood Cylinders

Screws

Thumbtacks

Screwdriver



Paintset

Sandpaper

Let's Get Bulding!

STEP BY STEP INSTRUCTIONAL VIDEOS

Step 1

Sand each piece of wood. Look for the grain of the wood and sand WITH the direction of the grain.

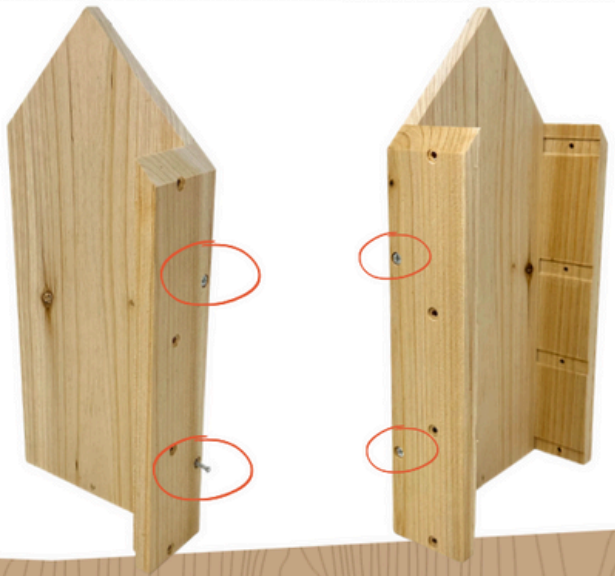
Step 2

Step 3

Using 4 screws attach the 2 SIDES to the BACK piece.

Notice the slots must face in and the angle of the top of the 2 SIDES must match the top angle of the BACK piece.

Feel free to paint during any Step!



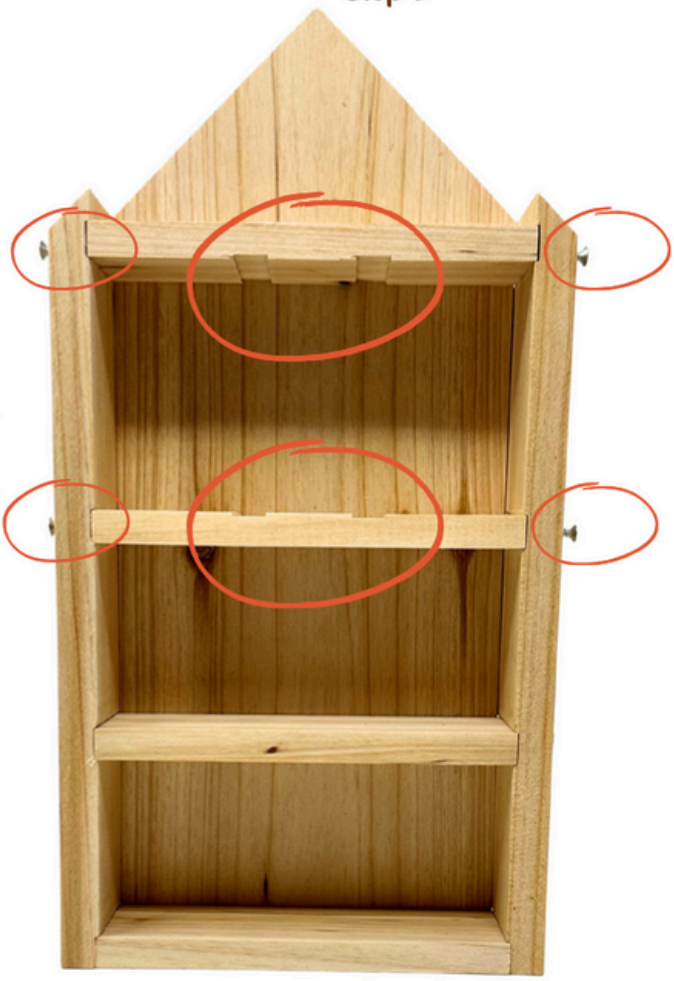
Step 4

Slide in the 2 LOWER DIVIDERS to the 2 SIDES beginning at the bottom.

The LOWER DIVIDERS are completely flat without slots cut out.

Attach with screws.

Step 5



Slide the 2 UPPER DIVIDERS into the 2 SIDES with the small slots.

Make sure the 2 slots of the UPPER DIVIDERS are facing inwards.

Attach with screws.

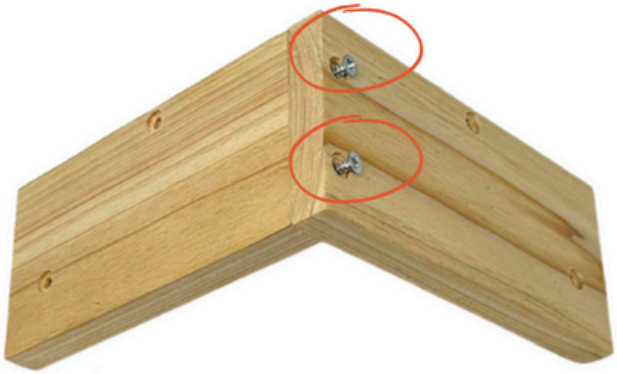
Step 6

Insert 2 VERTICAL DIVIDERS into the slots of the 2 UPPER DIVIDERS.

Using 2 screws attach the VERTICAL HIDE COVER to the 2 VERTICAL DIVIDERS.

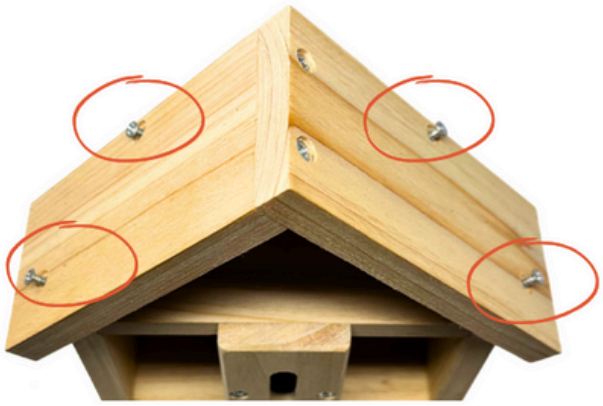
Once The VERTICAL HIDE COVER is screwed in, the whole piece can be removed for cleaning later.

Step 7



Using 2 screws attach ROOF A to ROOF B.

Step 8



Using 4 screws attach ROOF A and ROOF B to the BACK. Notice the screws of ROOF A and B must line up with the BACK piece.

Step 9

Apply the SHINGLES FIRST to ROOF B starting at the bottom using the Silicone Wood Glue.

Make sure to use in a fully ventilated room.

You will make 6 rows with 2 SHINGLES per row. You will overlap the SHINGLES beginning at the bottom and ending just at the top of the roof line.

Once ROOF B is complete begin the process again at the bottom of ROOF A and ending with a slight overlap of ROOF B

Step 10

Let's Fill it UP!

Wood Cylinders

Bamboo Tubes

3 Mini Pinecones

Wood Chips

*These natural fillers will remain loose in the Bug Hotel for easy clean-out.

Step 11

Using the THUMBTACKS attach the METAL COVER over the bottom 2 Dividers.

WE THINK OUR BUILDING KITS AND TOOLS ARE PRETTY GREAT... BUT DON'T JUST TAKE OUR WORD!

★★★★★

Great product!!
I bought this for both my nephew and niece and they LOVED IT!!!! Mentally engaging with no screen-time!

-Beth

★★★★★

Great kit, amazing quality and complete including tools! Perfect directions, which is rare these days. These are top quality, high end kits at an extremely reasonable price

-Sherwood

★★★★★

Fantastic Gift for my Son!
I bought this for me and my son to build together. We had a wonderful time!

-Michael

★★★★★

Used them for a scout elective pin. All the kids loved the project! Easy directions to read and follow! Can't wait for the new items to drop so we can do another project next year!!!

-Jessica
