## CABERNET SAUVIGNON

Napa Valley, California | 2019

UPC: 8-1087902234-4

*90+ Cellars is celebrating its 200th wine with this limited edition Collector Series Cabernet Sauvignon from Napa Valley's historic Oakville AVA.*

### *Varietal & Region*

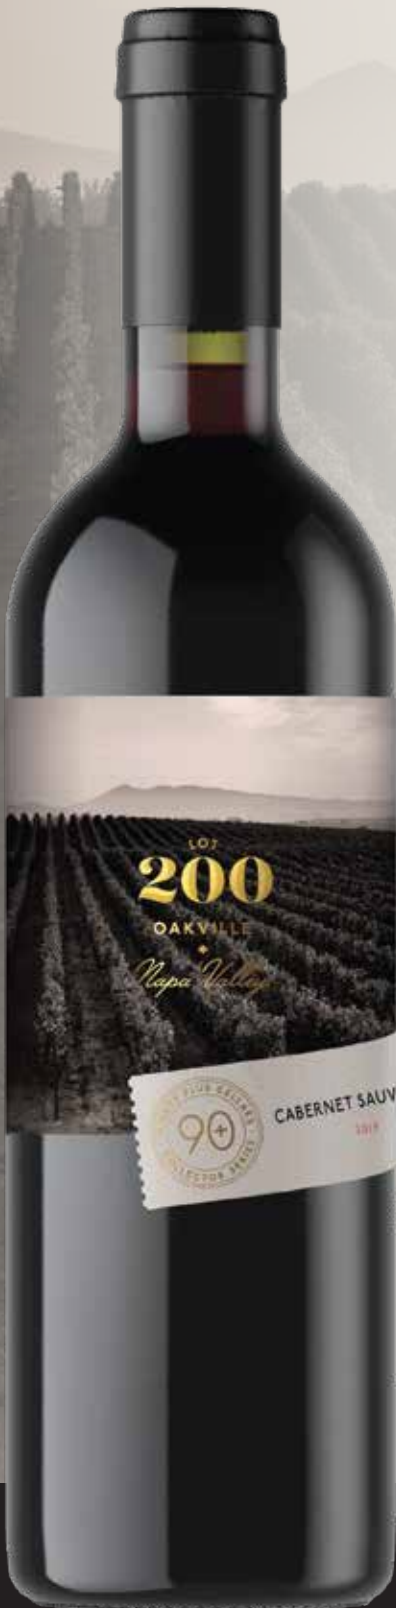

In the middle of Napa Valley, at the foothills of the Mayacamas Mountains, lies one of the most prestigious wine growing regions in California, Oakville. The Mediterranean climate allows grapes to reach their full ripening potential while preserving freshness in the wines, in this case Cabernet Sauvignon.

### *About the Wine*

After hand-picking the Cabernet grapes, the wine is fermented then aged for nearly two years in French oak barrels. The wine sees further aging in bottle before being released.

### *Tasting Notes*

Deep ruby red in color with aromas of cherries and black currants, the wine is accented with rich flavors of vanilla and a touch of spice. Rich but soft tannins develop on the palate leaving behind notes of blackberry and cedar. Enjoy this wine now or save it to celebrate a milestone of your own.

*The 90+ Cellars Collector Series is a highly curated selection of limited release, vintage-specific wines from the world's greatest appellations*
