## ASSEMBLY INSTRUCTIONS

### 1 ASSEMBLE POST TO BASE

Remove wing screw and locking washer from lower post.

Attach the post to the base with wing screw and locking washer.

### 2 ATTACH POST

Twist the threaded rod onto the lower post halfway.  
**Note:** There is a mark on the rod.

Attach upper post to the lower post.

### 3 INSTALL SIGN HOLDER & SIGN

Attach sign holder to upper post.

Slide in desired sign through the top of sign holder.

### 4 FINAL CHECK

Stand sign on a level surface/floor.

Firmly tighten all connections.

Check connections over time to ensure they are secure.
