Continental CEFL42FH Linear Electric Fireplace

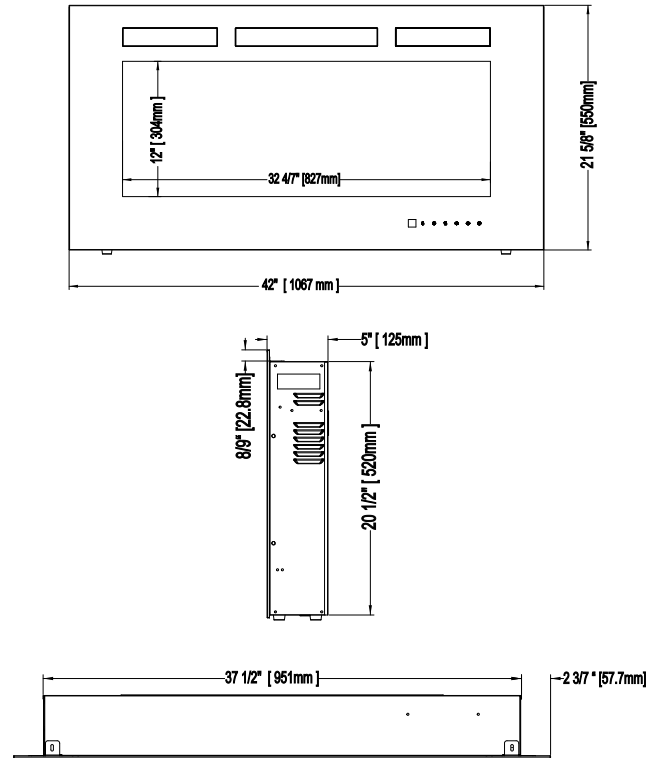

Change the look of an entire room simply by hanging Continental's CEFL42FH Continental Wall Hanging Electric Fireplace on the wall. No need for gas fitters or other expensive installation professionals. Simply hang this electric fireplace with ease on the wall of any room and control heat output, flame height, brightness and color with the touch of a button. Placing Continental's newest Wall Hanging Electric Fireplace in any room will make a huge impact.

Competitive Advantages

- High Power LED lights provide day or night intensity and require no servicing
- Ultra slim design
- Can be fully recessed into the wall for a flush appearance or easily hang on the wall with the built-in mounting bracket

Features and Benefits

- Simply plugs into a 120V wall outlet
- Easy access manual on/off switch
- Suitable for any room including bedrooms, sitting rooms and mobile homes
- Paintable cord cover included (covers cord and can be painted to blend in with existing décor)
- Glass ember bed accents the flame
- Flame choice of orange or yellow and a mixture of in-between
- Convenient remote control (controls flame intensity, flame color option, blower, heat output and timer)
- Up to 5,000 BTU's
- 903 sq. in. viewing area
- 1,500 Watts
