

QUESTION

Which of the following functions is represented by the graph above?

A. $y = x^2$

B. $y = \sqrt{x}$

C. $y = x^3$

D. $y = \frac{1}{x}$

QUESTION

ANSWER

The graph shows a curve that starts at the origin (0,0) and increases with a decreasing slope, resembling a square root function. The x-axis is labeled 'x' and the y-axis is labeled 'y'. A small inset box in the top right corner shows a magnified view of the origin area.
