

CARMEL ROAD™

MONTEREY

2019 Chardonnay

Our winemaking team seeks to capture the vibrant, bright flavor profile of Monterey - where the triumvirate of fog, wind and sun forge distinctive wines with vivid complexity, superb acidity and a pronounced minerality that have become the hallmark of Carmel Road wines.

REGION Monterey County

Inland from Monterey's rugged coastline, yet still directly in the path of the ocean's relentless influences, Carmel Road's vineyards can be found nestled on the foothills of the Santa Lucia Mountains. No mountains hinder the flow of air from the Monterey Bay, allowing fog and chilly, moisture-laden winds to sweep over our vineyards daily, making this one of the coldest wine regions in California.

"The 2019 Chardonnay is a vibrant wine with fresh citrus and stone fruit notes. On the palate, the wine is rich and textured leading to a round finish."

-Kris Kato, Winemaker
