

EP76

Cream Cleanser

EP76 Cream Cleanser quickly and easily removes soil, stubborn stains, grease, soap scum, ink and scuff marks from a variety of surfaces leaving them smooth and clean. EP76 clings to both vertical and horizontal surfaces providing a longer contact time to ensure superior cleaning and more effective stain removal. It is ideal for sinks, wash basins, bathtubs, shower stalls, chrome, copper, brass, stainless steel, porcelain, enamel, ceramic tiles, and many other hard surfaces.

Features & Benefits

- No phosphates or VOC's (Volatile Organic Compounds)
- No Tetrasodium Salt of EDTA or glycol ethers
- Clings to surfaces for easier cleaning
- Removes soil, stubborn stains, grease, soap scum, ink and scuff marks from a variety of surfaces leaving them smooth and clean

Applications

- Use as a daily cleaner
- Ideal for use on sinks, wash basins, bathtubs, shower stalls, chrome, copper, brass, stainless steel, porcelain, enamel, ceramic tiles, and many other hard surfaces

EP76

Cream Cleanser
