TECHNICAL INFORMATION

APPELLATION

Anderson Valley

COMPOSITION

100% Pinot Noir

T. A.

0.54g/100ml

PH

3.62

ALCOHOL

14.3%

WINEMAKING PHILOSOPHY

Grand Reserve is a winemaker's blend of our mountain, ridge, hillside and benchland grapes grown along California's cool coastal appellations. We hand select grapes from our best estate vineyards and then monitor, taste and hand-hold each individual lot throughout the winemaking process. Each lot is kept separate, barrel-aged and crafted—boutique winery style.

Our winemakers have an unmatched palette of flavors, toast levels, clones and terroir nuances from which they masterfully blend these exemplary rich, deep and complex wines.

EXPERIENCE THE DIFFERENCE

- 100% Jackson Estates Grown Pinot Noir
- 70% of the wine is from the same vineyard blocks year-to-year, ensuring greater consistency and enhanced complexity with each vintage
- Anderson Valley's combination of warm sunny days and cool foggy nights and mornings allow the grapes to mature slowly and express the truest characteristics of Pinot Noir
- Our high elevation, coastal vineyards create a Pinot Noir with rich red fruit, subtle earthy notes and a balanced, silky mouthfeel
- Grapes are sourced from the lower-yielding estate vineyards that are specially-designated *Grand Reserve Blocks*
- Barrel aged for 9 months in 99% French oak barrels, 18% new
- All our estate vineyards are certified sustainable by the CCSW (Certified California Sustainable Winegrowing) and SIP (Sustainability in Practice) programs
- Comprised of clones 777 (51%), 667 (26%), 115 (20%), 4 (1%), 2A (1%), 828 (1%)

WINEMAKER NOTES

"This elegant wine has rich notes of wild strawberries, cherries and plums, with bright acidity, smooth silky, tannins and hint of smoky and toast from the oak barrel aging."

—RANDY ULLOM, DIRECTOR OF WINEMAKING
