

Rescue™ Liquid Sporicidal

Ready-to-Use sporicide for hard, non-porous surfaces that is effective against *Clostridium difficile*, *Clostridium sporogenes* and *Bacillus subtilis*, utilizing AHP® technology.

Features & Benefits

- Ready-to-Use sporicide powered by AHP® technology
- Effective against *Clostridium difficile*, *Clostridium sporogenes*, *Bacillus subtilis* in 10 minutes, providing cleaning and disinfection on high touch surfaces
- The AHP® active breaks down to oxygen and water after use

Applications

- For use on hard, nonporous surfaces such as floors, walls, porcelain, and plastic surfaces in hospitals, nursing homes, schools, colleges, hotels and public areas

Rescue™ Liquid Sporicidal

Use instructions for Hard Non-Porous Surfaces*

Heavily Soiled Surfaces Require Cleaning Prior to Disinfection

Personal Protection: Disposable gloves, gowns, face masks, or eye coverings as appropriate, must be worn during all cleaning of body fluids, and decontamination procedures.

Cleaning Surfaces Contaminated with Body Fluids: Appropriate Personal Protection must be worn during all cleaning and disinfection procedures. Remove excess body fluids with absorbent materials. Apply the liquid to surface using a cloth or disposable wipe, let stand for 1 minute, thoroughly rinse. Disinfect contaminated area.

Sporicidal Disinfection of Hard Non-porous Surfaces: This product is NOT to be used as a terminal sterilant/High Level Disinfectant for critical instruments and medical devices. This product is intended for use as an Environmental Surface Sporicide on hard non-porous surfaces in *C. difficile* patient rooms.

- Apply liquid to surfaces using a cloth or disposable wipe
- To achieve Sporicidal disinfection ensure surface remains wet for 10 minutes at 20°C
- Rinse after disinfection to remove all residue

Notice to User: This product is not intended for use on medical equipment without device manufacturer approval.

Disposal of Infectious Material: Products contaminated with blood or body fluids should be disposed of according to Federal, Provincial, and local regulations for infectious waste disposal.

* Refer to product label for complete use instructions.
