

# WORK LIGHTS

Woods Pro offers a wide array of portable lights, great for any task. All of the Woods Pro work lights come with bright, integrated LEDs that illuminate at a natural white 4000K color temperature. These lights are available in a variety of configurations; floor stand, tripod, single head with tripod, or dual head with tripod. They are built to last with die cast aluminum construction. Ratcheting head feature allows for tool-less aiming and lights that hold position without any worry of unintentional movement.

## WL40012

- Provides 1000 lumens
- 12 watts
- Tough steel H-stand with non-slip feet
- 5ft 18/3 Cord

WL40012

## WL40024

- Provides 1500 lumens
- 24 watts
- Tough steel H-stand with non-slip feet
- 5ft 18/3 Cord

WL40024

## WL40036

- Provides 3000 lumens
- 36 watts
- Tough steel H-stand with non-slip feet
- 5ft 18/3 Cord

WL40036

## WL40048

- Provides 4000 lumens
- 48 watts
- Tough steel stand with non-slip feet
- 5ft 18/3 Cord

WL40048

# WORK LIGHTS

## WL40072

- Provides 6000 lumens
- 72 watts
- 4000K Color Temperature
- Tough steel stand with non-slip feet
- 5ft 18/3 Cord

WL40072

## WL40072S

- Provides 6000 lumens
- 72 watts
- 4000K Color Temp
- Adjustable height steel tripod with non-slip feet
- Sled base can be removed from tripod

WL40072S

## WL40236S

- Provides 6000 lumens
- 72 watts
- 4000K Color Temp
- Adjustable height steel tripod with non-slip feet
- Quick release sled base

WL40236S

## WL40272S

- Provides 12,000 lumens
- 144 watts
- 4000K Color Temp
- Adjustable height steel tripod with non-slip feet
- Quick release sled base
