2024 SONOMA COUNTY SAUVIGNON BLANC

OUR ESTATE

Since 1977, Matanzas Creek Winery has been creating site-expressive wines in the heart of Sonoma County. We blend artistry with storytelling by embracing a mosaic of grape clones, along with innovative fermentation techniques, to unlock the full potential of each varietal. Our wines are not just exceptional in taste; they capture the unique terroir of Sonoma County. All of our estate vineyards are certified by the California Sustainable Winegrowing Alliance, ensuring each bottle of Matanzas Creek Winery wine embodies the essence of Sonoma County for a better tomorrow.

WINEMAKING

In the past decade, Matanzas Creek has embarked on a quest to produce a Sauvignon Blanc that highlights the best of Sonoma County. Matanzas Creek Sonoma County Sauvignon Blanc is derived from nine different vineyards whose fruit has been individually harvested, fermented, and evaluated to create a shining example of what Sonoma County has to offer. Each vineyard expresses distinctive aromatics and textures in its fruit, from white pepper to pineapple, extending to the most perceptible aromas of pomelo, fresh passion fruit, lime, and lemon. Using a multitude of yeast strains, we are able to highlight the unique characteristics and plethora of flavors that each vineyard fosters in the final wine.

VINTAGE NOTES

2024 vintage was a gratifying vintage. What started as a worrisome record-breaking hot summer cooled in time for picks and gave an excellent crop. Vintners are calling 2024 an exceptional California vintage.
