

### Safety

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

### Directions for Use

Concentrated high foaming degreaser formulated to penetrate and lift grease, fats, oil, food residues, blood, tallow, and other process wastes from both vertical and horizontal surfaces. Ideal cleaner for walls, floors, cutting blocks, and equipment in the following locations: meat packing plants, canneries, food processing plants, dairies, supermarkets, restaurants, fish, poultry and egg processors, rendering plants, and fast food services. Remove or cover all food and food products before cleaning. Heavy accumulations of waste matter, fat, etc., should be hand scraped from surface being cleaned. Manual Application: Apply with mop, brush, or sponge. Dilute one part MRD 2 to 20 parts hot water. Apply and let stand 5 minutes. Rinse well with hot water. Spray Application: Pour concentrate into sprayer reservoir. Set proportioning device to dilute at one part MRD 2 to 20 parts water. Let foam remain on surface 5 minutes. Rinse with hot water. NOTICE: DO NOT USE ON GLASS. In federally inspected meat and poultry plants, follow all usage with thorough potable water rinse.

### Certifications

This product is certified Kosher and parve (contains no animal or dairy products) by Whole Kosher Services and may used all year round excluding Passover.

Fast-acting, high-foaming degreaser/cleaner removes grease, fats, oil, food residues, blood, tallow and other process wastes from both vertical and horizontal surfaces. Use with Hillyard Foam Gun, mops, brushes, or sponges. Phosphate free, nonflammable and has biodegradable surfactants.

### Features & Benefits

- High foaming degreaser ideal for cleaning surfaces
- Phosphate-free, non-flammable, and biodegradable
- Authorized for use under NSF Category A1
- Works great in facilities with grease, fats, oil, and other process wastes

### Item Number & Unit of Measure

Item Number	HIL0015706
Unit of Measure	1 gal Bottle

### Specifications

Color	Colorless
Appearance	Clear
Fragrance	Mild Solvent
Formula Type	Liquid
Dilution Ratio	1:20
PH	13.00 - 14.00
Non-Volatile Matter	7.00 - 8.00%
NSF_Certified	Yes
