

+ PLASTIC THUMB
FORCEPS/TWEEZERS
4.25"

Dynarex Plastic Thumb Forceps/Tweezers are designed to effectively remove splinters, debris, and other objects from the skin and wound areas. The Tweezers feature tapered ends for improved precision and serrated tips for enhanced grip. Anti-slip ridges help to steady thumb and finger for a more reliable hold. These durable Tweezers/Forceps are crafted from sturdy plastic materials for optimal reliability. Ideal for a wide range of environments, including first aid, medical, and home use.
