LET THE SHRINKING BEGIN!

Follow the directions below carefully. Let them dance, curl, flip, shrink and flatten. **If you remove them too soon, your Shrink Fun™ ornaments won't shrink! Place them back in the oven until the shrinking process is complete.**

Warning- Safety First. ADULT SUPERVISION is required when baking Shrink Fun™.

- 1 Preheat oven to 350° F (175° C) Do not use the microwave.
- 2 Cover your baking tray with non-stick aluminum foil. For best results, do not use an air insulated cookie sheet. Place your Shrink Fun™ ornaments on the tray with the colored side facing up. Be sure they are at least 3 inches (8 cm) from each other.
- 3 Bake for 1 to 3 minutes. Watch closely, baking times may vary depending on your oven. The Shrink Fun™ ornaments will begin to curl, move about and flatten. **Do not remove them until they lay flat!**

After all pieces are laying flat, allow 20 more seconds of baking time. Ask an adult to remove the cookie sheet or tray from the oven and place it on a heat proof surface.

- 4 Allow the Shrink Fun™ ornaments to cool on the tray for 10 minutes. When they are cool enough to touch, use a spatula to lift them off.

DECORATING YOUR TREE

- 1 Insert the tree into the base and fold out the branches.
- 2 Wrap the foil tree skirt around the base. Tie it in place using the longer strip of foil.
- 3 Twist open the jump rings and attach them to the Shrink Fun™ ornaments. Twist to close. Hang them around the tree.

- 4 Slide the star beads onto the ends of the branches.
- 5 Place the star tree topper by wrapping the wire around the top branch.
