

# AWNING UPGRADES

## UPGRADE YOUR AWNING

Upgrade your current awning with Solera awning upgrades. Options include lighting kits to brighten up your camping spot, awning ground support to give your awning extra stability when fully extended and awning roller cradle supports which add support to the awning roller assembly when in the travel position.

**Whenever, wherever, we  
make your experience better.**

## INNOVATIVE AND VERSATILE AWNING UPGRADES

### Awning fabric light kit

The flexible awning fabric light kit slides into the light cord by the coach sidewall, under the awning. The innovative design allows you enjoy dramatic lighting outside the RV when the awning is extended or retracted

- Available in 15' (for 10'-15' awnings) and 21' (for 16'-21' awnings)
- Cut to fit your awning length
- Flexible black plastic light strip with white LED lights
- Switch and plate included
- Flexible light strip slides onto integrated light cord included on all Solera universal awning fabric

### Awning roller cradle support

The awing cradle support adds support to the awning roller assembly when in the travel position. The cradle support automatically accepts and releases the roller assembly as it extends or retracts

- Required for awnings longer than 21' to add stability when traveling
- Automatically accepts and releases the awning roller as it extends or retracts
- Works with both power and manual awnings
- Comes in black or white to match any Solera awning
- Easy to install

### Awning ground support

Awning ground support can be added to any existing awning for extra stability when the awning is fully extended. Stabilize your awning and prevent the roller from sagging with Solera awning ground support

- Adjustable vertical support bar
- Available in black or white
- Compatible with all major awning brands
