- All the durability of a traditional drop light with the efficiency of LED technology
- Produces over 1000 lumens of bright white light
- Impact resistant handle with non-slip rubber grip and base hook
- Powder coated metal lamp shield with swivel hang hook
- Built-in 120V outlet (600W MAX)
- Bring your own cord! Unit is designed to fit most standard 12-18 gauge extension cords, in any length. Simply plug your cord into the base of the light, then plug the cord into a standard 120V outlet
