

STYLING

Shirley, make sure you

are wearing the right shoes for the occasion. If you're going to a formal event, you should wear high heels. If you're going to a casual event, you should wear flats or sandals.

It's also important to make sure your hair is styled in a way that is appropriate for the occasion. If you're going to a formal event, you should wear your hair up. If you're going to a casual event, you should wear your hair down.

Don't forget to check your outfit for any stains or wrinkles. You want to look your best on the day of the event.

Finally, make sure you are wearing the right accessories. If you're going to a formal event, you should wear a necklace, earrings, and a bracelet. If you're going to a casual event, you should wear a watch and a bracelet.
