W1008	1	8	039564015069	Color Box

- Use to repair dents and dings in steel body panels without paint or fillers
- A very economical, safe, and easy-to-use dent puller
- No more scheduling time to get the work done, or the costly body shop repair bills
- Will not scratch your car's painted finish or clear coat
- Includes a glue gun, with glue sticks, a crossbar with dent lifters, a dowel finishing tool, a bottle, and a plastic scraper for adhesive removal
- Glue gun temperature range from 190 to 210 deg. C (374 to 410 deg. F)
