

School Solutions

Your one-stop-shop for all your mealtime needs.

Pactiv Evergreen offers a wide array of products to outfit your cafeteria from trays, to containers, cutlery, drinkware, and more.

Stock up on your school supplies!

Packaging solutions for every cafeteria setting

We have options for full-service cafeteria counters, grab 'n go cases, food prep, and beyond to meet the diverse needs of today's eateries.

Every day and elevated options

With products ranging from economical to top-of-the-line, you are guaranteed to find products that are right for your cafeteria.

Sustainable material choices

Reduce your environmental impact with our full range of sustainable packaging, which includes commercially compostable* solutions.

School Lunch and Carry Trays

If you are looking for trays to carry plated food and drinks, or trays to hold food directly on the surface, we have what you need to serve and transport with ease. Select from a number of sizes and shapes in inexpensive PS foam or commercially compostable* fiber blends.

Hinged Lid Containers

Whether you want economical PS foam hinged lid containers that get the job done, mid-range mineral filled polypropylene (MFPP) containers with high heat tolerance and strength, or clear OPS containers to serve your fresh fruits and salads, you can find it here. If you're looking for a commercially compostable* option, consider our fiber blend solutions.

Food Trays

Classic paper food boats are a cafeteria staple for serving tasty finger foods like tots and chicken nuggets, due to their sturdy design and grease-resistant coating. The paperboard used for these trays meets the Sustainable Forestry Initiative® (SFI®) Certified Sourcing Standard.

Greenware On-The-Go Boxes

Made from PLA a resin derived from renewable plants, offer creatively packaged meals for on-the-go consumption. These crystal-clear boxes with stackable lids are BPI certified compostable*. Best used for cold food applications only.

Portion Cups

Feel confident, knowing your sauces, dressings, salsas, dips, and sides will travel securely and resist leaking when you select our portion cups. Reduce waste and curb costs, by using these cups for portioning condiments in advance so you are ready for the lunch time rush.

Cold Cups

We offer cups for nearly any occasion and price-point. Our cups provide the perfect solution for drinks, desserts, parfaits and more. Need a sustainable solution? EarthChoice® cups are made with a minimum of 25% post-consumer recycled (PCR) material, reducing fossil fuel-based material usage. Recyclable. Check locally - may not be recyclable in your area.

Tableware

Cost-efficient and convenient PS foam plates and bowls are a great option for serving cafeteria students, big school events and classroom parties. Commercially compostable* fiber blend tableware helps you reduce your environmental impact. Compostable products facilitate the diversion of food scraps from the landfill.

Cutlery

We offer a wide variety of cutlery options including bulk single pieces, wrapped single pieces, and wrapped kits. Schools often select our standard length, medium weight Fieldware™ cutlery line for their foodservice needs as it is both durable and economical.

Foil and Film

The Reynolds® brand you trust at home, available in the size and quantity you need for foodservice. Our easy to dispense film and foil rolls are available in a variety of gauges, lengths, and widths for nearly every storage and wrapping need.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
