

## 3M™ PELTOR™ Electronic Earplug, EEP-100

### Product Description

The 3M™ PELTOR™ Electronic Earplug helps protect your hearing, and can help improve situational awareness and communications in challenging environments.

The earpieces are rechargeable via a USB port on the charging case. The case also provides easy and convenient storage of the earpieces when not being used. The small and lightweight design helps improve the overall comfort and user experience, and can be used in combination with other 3M Personal Safety Equipment (PPE), such as helmets and face shields.

### Key Features

- Helps provide hearing protection
- Level-dependent function (for situational awareness)
- Intuitive one-button operation
- Rechargeable
- Durable storage and charging case (IP54)
- Small and lightweight design
- Compatible with most head borne 3M Personal Protective Equipment

### Common Applications

- Construction
- Maintenance
- Manufacturing
- Shooting

# 3M Personal Safety Division

## Standards and Approvals

- Ingress Protection Rating: Earpieces and Case (with lid and USB port securely closed) are IP54 compliant.
- Noise Reduction Rating (NRR) tested in accordance with ANSI S3.19-1974

## Included

- 2 x Earplugs
- 1 x Charging case
- 2 x 3M™ UltraFit™ Communication Tips Replacement, Large
- 2 x 3M™ UltraFit™ Communication Tips Replacement, Medium
- 2 x 3M™ UltraFit™ Communication Tips Replacement, Small
- 2 x 3M™ PELTOR™ Communication Tip, Triple C
- 1 x USB cable
- 1 x User Instructions

## Technical Data Specifications

Model	
Microphone Type:	Omni-directional

Earplug Power/Electrical Characteristics	
Earplug Battery Type:	Lithium Ion
Earplug Battery Life:	Up to 16 hours
Earplug Battery Charge Time:	Approximately 180 minutes
Earplug Volume Steps:	3 steps, Low, Normal, High
Case USB Type:	Micro B

Standards	
Ingress Protection Rating:	Complies with IP54 with cover and USB port closed.
NRR:	Tested in accordance with ANSI S3.19-1974

Physical Characteristics	
Case Size (L x W x H):	89.6 mm x 61.6 mm x 27.3 mm
Case Material:	ABS
Earplug Keypad:	One button operation (On / Off / Volume Selection)
RoHS Compliance:	RoHS II
Weight Box containing charger, 2 Earplugs, 4 pair communications Eartips, USB cable:	8.46 oz
Weight Charger:	2.01 oz
Weight: 1 earpiece:	0.13m oz

Environmental Characteristics	
Storage temp range:	
1 Year:	-4 °F to 68 °F (-20 °C to 20 °C)
3 Month:	-4 °F to 113 °F (-20 °C to 45 °C)
1 Month:	-4 °F to 140 °F (-20 °C to 60 °C)
Earpiece Operating temperature:	-4 °F to 122 °F (-20 °C to 50 °C)
Charger Operating temperature:	32 °F to 113 °F (0 °C to 45 °C)

## Laboratory Attenuation

Research suggests that users may receive less noise reduction than indicated by the attenuation value(s) on the packaging, due to variation in fit, fitting skill, and motivation of the user. Refer to your applicable regulations for guidance on how to adjust label values and estimate attenuation. In addition, 3M strongly recommends fit testing of hearing protectors.

**Table 1:** 3M™ UltraFit™ Eartips

	5.3	5.5	5.5	4.2	3.4	4.6	3.5	4.6	4.2		

### CAUTION

When worn according to the User Instructions, these hearing protectors help reduce exposure to both continuous noises, such as industrial noises and noises from vehicles and aircraft, as well as very loud impulse noises, such as gunfire. It is difficult to predict the required and/or actual hearing protection obtained during exposure to impulse noises. For gunfire, the weapon type, number of rounds fired, proper selection, fit and use of hearing protection, proper care of hearing protection, and other variables will impact performance. To learn more about hearing protection for impulse noise, visit [www.3M.com/hearing](http://www.3M.com/hearing).

### WARNING

**Hearing Protection Products\*** These hearing protectors help reduce exposure to hazardous noise and other loud sounds. **Misuse or failure to wear hearing protectors at all times that you are exposed to noise may result in hearing loss or injury.** For proper use, see supervisor, User instructions, or call 3M Technical Service in the U.S.A at 1-800-243-4630. If there is any drainage from your ear or you have an ear infection, consult with your physician before wearing earplugs. Failure to do so may result in hearing loss or injury. Choking Hazard - Keep away from infants and small children.
