

# Soft Care Impact<sup>TM/MC</sup>

## Alcohol Instant Hand Sanitizer - Liquid and Foam

Soft Care Impact<sup>TM/MC</sup> is an alcohol based instant hand sanitizer enriched with skin conditioning emollients to keep skin soft and protect against irritation for even the most frequent users. Fragrance-free and dye-free, Soft Care Impact<sup>TM/MC</sup> meets CDC, WHO, APIC and PHAC hand hygiene recommendations for Healthcare personnel hand rubs.

### Features & Benefits

- Contains 76% (v/v) ethyl alcohol, meeting APIC, PHAC, CDC and WHO Healthcare Personal Hand Wash guidelines
- Skin softening emollients leave hands soft and with no sticky residue
- Made with 96% biobased ingredients
- Dye-free and fragrance-free formulas reduce potential risk of skin irritation and allergic reactions for users with sensitive skin.
- NSF E-3 certified for use in food handling establishments
- Minimize the risk of sick leave resulting from cross contamination

### Applications

- Great for use in restrooms, food handling facilities, healthcare settings, offices and fitness centers

## Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
