Innovative Technology

The Trident SW18 has features that make it the perfect cleaning tool for small to medium-sized floors. Designed for quick and effortless sweeping, the SW18 is a labor-saving option over traditional push brooms. Its lightweight design makes it easy to maneuver in tight spaces. The handle folds up for compact storage. Built for indoor and outdoor use on concrete, asphalt, tile, wood, and other hard surfaces. Finally, its sturdy construction ensures years of dependable service.

- Versatile. Ideal for workshops, courtyards, warehouses, parking lots and supermarkets.
- Productive. Seven times faster than a 24-inch push broom.
- Easy to use. Built-in carrying handle on the debris hopper makes emptying easy.
- Efficient. The side broom cleans along walls and curbs.
- Ergonomic. Adjustable handle ensures maximum user comfort.
- Compact. Fold up the handle for storage.
