

Defcon™-2R *The Drum-In-A-Box Industrial Cleaning System*

The super concentrated system that saves time, money and space!

*Effective ready-to-use dilution rate of 1:363.**

Use Defcon Ready-to-use Degreaser in autoscrubbers, mop buckets and spray bottles.

HIL0045407 - Defcon-2R

5 Gallon Bag-In-Box Super Concentrate

HIL0045509 - Defcon-2 (Starter Drum)

55 gallon starter drum of Defcon-2 concentrate that is diluted 4-8 oz. per gallon of water. Once the starter drum is empty, refill the drum with one 5 gallon bag-in-box of Defcon-2R and 50 gallons of water to make another drum of Defcon-2 concentrate.

HIL99605 - High Low Dispensing Center

Fill scrubbers/buckets at rate of 9.5 gpm. Fill bottles at a rate of 1 gpm.

Better Cleaning. Faster Cleaning. Improved Results. Lower Cost

*When dispensed out of the 55 gallon drum of mixed concentrate at a rate of 4 ounces/gallon (1:32).
