

THE BATTERY

1. The battery is the power source for the vehicle.

2. It provides the electrical energy to start the engine.

3. It provides the electrical energy to the vehicle's electrical system.

4. It provides the electrical energy to the vehicle's accessories.

5. It provides the electrical energy to the vehicle's lights.

6. It provides the electrical energy to the vehicle's horn.

7. It provides the electrical energy to the vehicle's radio.

8. It provides the electrical energy to the vehicle's stereo.

9. It provides the electrical energy to the vehicle's power windows.

10. It provides the electrical energy to the vehicle's power locks.

11. It provides the electrical energy to the vehicle's power mirrors.

12. It provides the electrical energy to the vehicle's power seats.

13. It provides the electrical energy to the vehicle's power windows.

14. It provides the electrical energy to the vehicle's power locks.

15. It provides the electrical energy to the vehicle's power mirrors.

16. It provides the electrical energy to the vehicle's power seats.

17. It provides the electrical energy to the vehicle's power windows.

18. It provides the electrical energy to the vehicle's power locks.

19. It provides the electrical energy to the vehicle's power mirrors.

20. It provides the electrical energy to the vehicle's power seats.

21. It provides the electrical energy to the vehicle's power windows.

22. It provides the electrical energy to the vehicle's power locks.

23. It provides the electrical energy to the vehicle's power mirrors.

24. It provides the electrical energy to the vehicle's power seats.

25. It provides the electrical energy to the vehicle's power windows.

26. It provides the electrical energy to the vehicle's power locks.

27. It provides the electrical energy to the vehicle's power mirrors.

28. It provides the electrical energy to the vehicle's power seats.

29. It provides the electrical energy to the vehicle's power windows.

30. It provides the electrical energy to the vehicle's power locks.

31. It provides the electrical energy to the vehicle's power mirrors.

32. It provides the electrical energy to the vehicle's power seats.
