

- Fracture of the vertebral body
- Fracture of the vertebral arch
- Fracture of the intervertebral disc
- Fracture of the transverse process
- Fracture of the spinous process
- Fracture of the lamina
- Fracture of the pedicle
- Fracture of the neural arch
- Fracture of the neural foramen
- Fracture of the neural canal
- Fracture of the neural tube
- Fracture of the neural root
- Fracture of the neural rootlet
- Fracture of the neural root sleeve
- Fracture of the neural root sheath
- Fracture of the neural root ganglion
- Fracture of the neural root ganglion rootlet
- Fracture of the neural root ganglion root sleeve
- Fracture of the neural root ganglion root sheath
- Fracture of the neural root ganglion root sleeve rootlet
- Fracture of the neural root ganglion root sleeve root sheath
- Fracture of the neural root ganglion root sleeve rootlet root sheath
