

7 Bottle Touchscreen Wine Cooler

EL-7TS BLACK

Store your favorite wine bottles in this 7-Bottle Touch Screen Wine Cooler. The EL-7TS BLACK features a handsome design with a black body, tinted black glass door with a magnetic seal, and a black pole handle. A touch screen control panel and digital temperature display allows wines to be set at different settings. This wine cooler is designed for built-in installation. It also has adjustable feet for leveling, an interior light to illuminate bottles as well as a control safety lock to disable access.
