WE Parts List

| Part Number | Description | Quantity |
|-------------|-------------|----------|
| 1 | Ottoman | 1 |
| 2 | Legs | 4 |

Step 1

Let's get started! This will be super quick. First, lift the ottoman top —inside, you'll find a box to be cut out and removed.

Step 2

Take out the Legs (2) from the box.

Step 3

Twist the Legs (2) onto the bottom of the Ottoman (1) until they are nice and secure.

Tip

To keep your product looking its best and scratch-free, try assembling it on a soft surface like carpet or a blanket. This helps prevent any accidental scratches and keeps your furniture in top shape!

Step 4

Flip the ottoman right side up —if it needs leveling, adjust those levelers until it's perfectly stable.

Final Assembly

That's it—you're all set! Enjoy your new ottoman!
